

NOTICE

Updated Notice for Prescription Reimbursements

When submitting prescriptions for reimbursement, please make sure it is the actual receipt showing provider information, patient's name, date of service, type of prescription and out of pocket paid. Generic receipts are not eligible for reimbursement. See example below of a generic receipt.

You may also request from your pharmacy a printout of your prescriptions as an eligible invoice for prescriptions if you did not save your original receipt given to you at time of service.

GENERIC RECEIPT

With us, it's personal.
