Authorization for Electronic Funds Transfer EFT/ACH

This form is intended as authorization to debit your account for our Bank Service Plan.

How to Sign Up

- 1. Complete the form below, making sure to write your name as shown on your account. Be sure to retain a copy of this form in a secure place.
- 2. Attach a voided check; we'll use the account number on your check to put your electronic transfer of funds into effect. So it's important your check is from the account you want your payments withdrawn.
- 3. Return your completed Authorization Form and voided check with your completed enrollment form in the envelope provided.

Each month, a preauthorized withdrawal is prepared for the exact amount of the premium and is sent to your financial institution. The amount of the preauthorized withdrawal is deducted from your account balance and will appear on your bank statement. The preauthorized withdrawal will be sent to your financial institution on the specified day, and your premium is paid until the next month when the process is repeated.
