

Raising the standard of healthcare for TEWF

April 9, 2022

Meet Buddy

Rusty and Grady – Founder’s Story

What comes standard in healthcare today

Inconvenience

Difficulty

Lack of
Access

Confusion

Fear about
Cost

Friction

Poor Quality
Care

Fragmentation

The problems
are not new, but
the approach has
to be different

50%

of individuals struggle
to understand their
insurance¹

84M

Americans are in
areas with primary
care shortages³

30%

of healthcare spend
in the United States
is considered waste⁵

18%

Of surveyed
physicians say they're
considering closing
their practices in the
next two years.

3 in 5

of those with a
mental illness
receive no
treatment⁴

54%

increase in the average
annual premium over the
past decade compared to
the previous 10 years⁶

3-5x

lower revisit rates
than other telehealth
companies

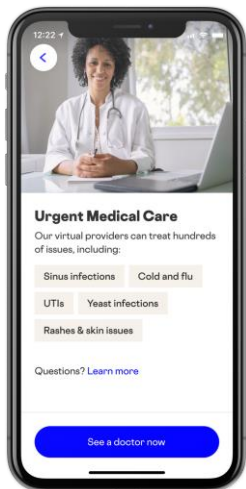

80%

of patients
achieved LDL
cholesterol goal

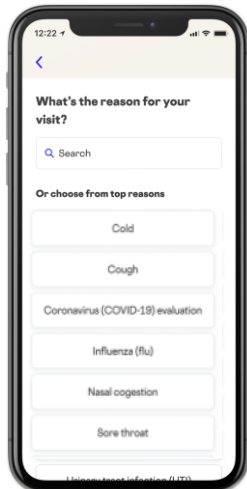

A better care experience for you, the member

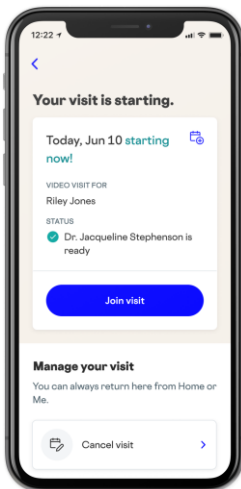

Anytime, anywhere access to on-demand care via an easy-to-use interface

Thoughtfully designed, easy-to-use interface

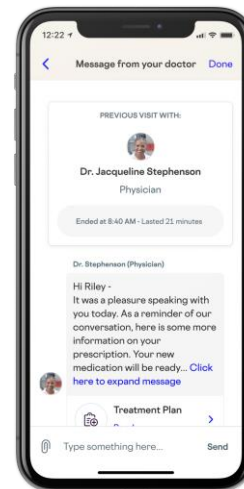

Smart intake flow that recognizes the reason for visit and knows what to ask for (pictures, temperature, etc.)

Flexible home screen content catered to member

24/7 on demand video-first visits, with option for phone

Post-visit summaries and treatment plans

Common member FAQs

What is Included Health?

Included Health provides 24/7, on-demand care for a wide range of everyday issues, including everyday & urgent needs and primary dermatology.

Who is eligible for Included Health?

Eligible members are those who are covered under the TEWF medical plan. Eligible members, including those under 18, have access in all 50 states.

Does my eligibility change when I retire?

No, you're still eligible for the Included Health benefits at no cost to you.

How do I access Included Health?

You can get started by downloading the Included Health app on iOS and Android, calling 855-429-7119 or visiting www.includedhealth.com/tewf

When can I access the service?

Everyday & Urgent Care is available 24/7, 365 days a year

How long will it take to receive care?

Urgent Care visits are typically available within 15 minutes

Thank you!

Let's raise the standard of healthcare for everyone, together.
