

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 419-666-4450. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbcglossary> or call 419-666-4450 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	FrontPath and Non-Discounted: \$2,000 individual/ \$4,500 family; Discounted non-FrontPath: \$4,500 individual/ \$9,500 family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> and services listed as “No charge.”	This <u>plan</u> covers some items and services even if you haven’t yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes. \$25 /individual for dental	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the out-of-pocket limit for this plan?	\$1,500 individual/ \$3,000 family; \$1,000 generic Rx drugs per family pre-Medicare/ \$500 per individual for Medicare enrollees.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services and excludes <u>deductibles</u> and <u>copayments</u> .
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>deductibles</u> , <u>balance-billed</u> charges, health care this <u>plan</u> doesn’t cover, and failure to <u>preauthorize</u> penalties.	Even though you pay these expenses, they don’t count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.frontpath.com for a list of <u>in-network providers</u> . The <u>plan</u> also uses Express Scripts’ pharmacies, EyeMed vision providers, and Delta Dental providers. Contact the Fund Office at 419-666-4450 for more information.	You will pay the least if you use an <u>in-network provider</u> . You will pay more if you use an <u>out-of-network/ discounted provider</u> . You will pay the most if you use an <u>out-of-network/non-discounted provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider’s</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
